

VIEWING MASSBAY COURSES WITH THE INTERACTIVE COURSEMASTER PROGRAM

Go to: <http://mbccweb.massbay.edu/coursemaster>

Please select your options starting with **Semester** and working your way down. Each selection narrows your search to the criteria listed.

Example: If you choose Wellesley Hills for the campus you will only see courses offered at Wellesley Hills.

Except for **Course Subject**, you may either accept the displayed option or use the associated pull-down menu arrow to view/change its selection:

- **Semester**
- **Campus**
- **Course Subject** (note that you cannot leave it as “**Select Course Subjects**”)
- **Session**
- **Course List**

Click on the **Search** button to display your selections.

An Alternative Way of Listing Courses:

1. Change the **Course Subject** to **All Course Subjects**
2. Type a key word (e.g. *chemistry*) into the **Search on class title** text box
3. Click on the **Search** button to display your selections
